# Step into Huaguo Mountain. Monkey King

Founded in 2014, Guangdong Qiangdan Technology Co., Ltd. derives its name from the last characters of the founder's and his wife's given names. As a brand focused on mid-to-high-end mobile phone tempered glass, the company integrates R&D, design, production, promotion, and sales. After 12 years of development, it has built a solid operational layout, boasting two modern production plants covering over 30,000 square meters, a 5,000-square-meter brand operation headquarters, a total of 500 employees, and a total investment exceeding 200 million RMB—laying a solid foundation for the brand's global business expansion. Leveraging the 600,000-unit daily production capacity of its two self-operated plants and a strong R&D and operation team of over 100 people, the brand ensures stable product quality and efficient delivery to meet the needs of the global market.

Its flagship brand, Huaguo Mountain.Monkey King, is a leading brand in the high-end mobile phone tempered glass sector. Rooted in China-Chic culture, Huaguo Mountain.Monkey King, takes the classic mythological figure "Monkey King" as its brand symbol. The classic trait of the Monkey King—"72 transformations"—symbolizes the brand's spirit of courage in exploration and proactive progress, and also reflects its determination to break industry boundaries. Beyond providing top-quality products, the brand takes "cultural ambassador" as its core vision: while expanding into the international market, it conveys the profound charm of Chinese culture to global consumers.

Guided by clear goals, the company adheres to its mission of "striving to enhance confidence in Chinese culture" and upholds its core values of "Integrity, Altruism, Innovation, and Self-criticism". It is committed to achieving its strategic goal of "becoming the world's top brand of sapphire lens protectors" and aspires to grow into a great century-old brand that endures through time.

# Huaguo Mountain. Monkey King XR-Max Cutting Film Machine

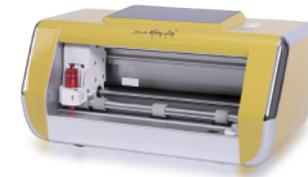

Item NO. : KA-E01

## Product Details

**Model:** XR-Max  
**Maximum cutting width:** 8 inch  
**Maximum cutting length:** 12 inch  
**Cutting accuracy:**  $\pm 0.1$ mm  
**Maximum cutting speed:** 500mm/s  
**Maximum cutting pressure:** 1200g  
**Wireless connection:** Bluetooth / WiFi  
**Machine size:** 320\*185\*156mm  
**Machine net weight:** 4.3Kg  
**Blade Type Rowland blade:** 45 degrees  
**Touch Screen size:** 5.5 inch  
**X.Y working motor:** Stepper motor  
**Input voltage of power adapter:** 110v-230v~

## Product Details

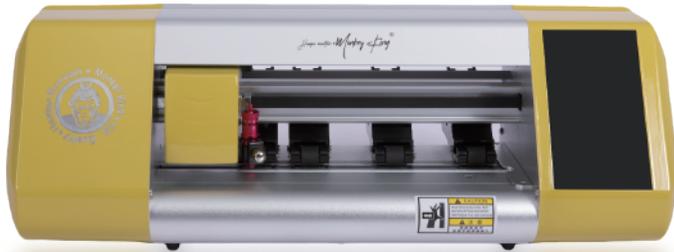

# Huaguo Mountain. Monkey King CS310 Cutting Film Machine

Item NO. : KA-E03

## Product Details

**Model:** CS310  
**Interface:** Built-in system  
**Maximum Film Feeding Width:** 296mm  
**Maximum Cutting Width:** 210mm  
**Maximum Cutting Pressure:** 1000g  
**Maximum Cutting Speed:** 300mm/s-500mm/s  
**Cutting Accuracy:** 0.082mm  
**Connection Method:** Bluetooth, WiFi  
**Input:** 24VDC 2.75A  
**Power:** <100W  
**Operating Temperature:** 5°C-35°C  
**Overall Dimensions:** 580x310x265mm  
**Gross Weight:** 8Kg

## Product Details

# Huaguo Mountain. Monkey King M40 Cutting Film Machine

Item NO. : KA-E02

## Product Details

**Model:** M40  
**Maximum Film Feeding Width:** 235mm  
**Maximum Cutting Width:** 217mm  
**Maximum Cutting Pressure:** 1000g  
**Maximum Cutting Speed:** 500mm/s  
**Film Application Compatible Size Max:**  
Max:188x88mm, Max:188x88mm  
**Cutting Accuracy:** 0.1mm  
**Air Pump Pressure Approximately:** 100Kpa  
**Drive Method:** Stepper Motor  
**Control Panel:** 5.5-inch Touchscreen  
**Connection Method:** Bluetooth, WiFi  
**Input:** 24VDC 2.75A  
**Power:** 48W  
**Operating Temperature:** 5°C-35°C  
**Overall Dimensions:** 430x200x237.5mm  
**Net Weight:** 9.3Kg  
**Gross Weight:** 11Kg
